The Prez Sez:

Hello all, I hope you are enjoying the Summer while it is still here! There are quite a few events and Amateur Radio related activities going on in the Club at present. These next few days and weeks should prove to be fairly active with activity.

One very important issue pertaining to the Club is the upcoming officer elections at the Annual Business Meeting in September. The second Wednesday of the month as always. Nominations are currently open from the 'floor' and will stay open right up until the ballot is finalized... so if you know someone that can do the job, help get them elected. Campaigning is allowed! From what I understand, almost all officer seats are being represented, but that certainly doesn't mean that you can't run for an office, too. We will also be in need of a Club Station License Custodian. This 'office' will need someone to take responsibility for the Club's callsign, W8HHF during its next ten year term. Let someone on the Nominating Committee know you are interested in being an officer. Those persons would be Steve, KC8TVW; Mike, WA8SYD; and Bob, K8ADK.

Here's a little rundown of August events that have taken place or will be soon... (Did I mention that we've been busy?) The Sylvania SuperKids event and Sylvania Triathlon seemed to go well, managed by the very capable Brenda, KB8IUP. The Maumee Summerfair started out a little gloomy, but turned out to be a nice day and we had some of the public take interest in what we were doing and ask a few questions. Thanks to Steve, W8TER for his tireless efforts to promote the hobby and our services to the community. The Ohio QSO Party is coming up soon and I hope everyone will be representing their locale, even if it isn't Ohio. And then the Club's picnic should be a nice affair; I hope you are able to make it.

A little precursor to upcoming events for September include the Labor Day holiday and the Findlay Hamfest. Support your 'local' Clubs! And I'll mention it again... be sure to attend our all important TMRA Annual Business Meeting with officer elections on September 13th and vote for your favorite candidate(s).

September Is National Preparedness Month

National Preparedness Month is a nationwide effort held each September to encourage Americans to take simple steps to prepare for emergencies in their homes, businesses and schools. This year, ARRL is once again a coalition member. National Preparedness Month 2006 is sponsored by the U.S. Department of Homeland Security (DHS). The agency will work with a wide variety of organizations, including local, state and federal government agencies and the private sector, to highlight the importance of family emergency preparedness and promote individual involvement through events and activities across the nation. More information is available at <http://www.ready.gov>.

The August issue of ARRL's "*CONTACT!*" features a wealth of information on September's National Preparedness Month and how to promote ARES in local media outlets. See <http://www.arrl.org/pio/contact/#current> and click on the August 2006 issue.

Incumbent Section Managers Overcome Re-Election Challenges in Ohio, Idaho

NEWINGTON, CT, Aug 22, 2006 -- Incumbent ARRL Section Managers in Ohio and Idaho won re-election in the only two contested races of the current SM election cycle. ARRL Field and Educational Services staffers counted and verified election ballots August 22 at ARRL Headquarters.

In the Ohio Section, veteran SM Joe Phillips, K8QOE, outpolled challenger Mark Erbaugh, N8ME, 1235 to 747. The nearly 2000 ballots cast by Ohio Section ARRL members were testament to the high interest in this race. Phillips's win makes him the first Ohio SM elected to serve for five terms. He's been in office since October 1998.

"I want to thank all Ohio Section voters for giving me the privilege of heading the ARRL's best section," Phillips said after the votes were in. "Mark, N8ME, ran a thoughtful and issue-oriented campaign, which made this election a model for election campaigning."

In the Idaho Section, incumbent SM Doug Rich, W7DVR, topped a field of three candidates. Rich received 154 votes to 118 for John Wilson, K0IP, and 83 for past three-term Idaho SM Don Clower, KA7T. Rich has been SM since September, 2003, when he was appointed to fill the year remaining in the previous SM's term. He was elected in his own right in October 2004.

During the campaign, Rich expressed his belief that an SM should focus on disaster readiness and communications. He has completed all three levels of the ARRL Amateur Radio Emergency Communications courses as well as the Federal Emergency Management Agency Incident Command System courses.

Incumbent SMs in seven ARRL sections were elected without opposition. They are: Betsey Doane, K1EIC, Connecticut; Skip Jackson, KS0J, Minnesota; Kent Olson, KA0LDG, North Dakota; John Thomason, WB5SYT, Oklahoma; Sherri Brower, W4STB, Southern Florida; John Ellis, NP2B, Virgin Islands and Scott Bauer, W2LC, Western New York. New two-year terms for successful candidates begin October 1.

Join in the fun on "Bud's Midnite Madness Net", every Monday thru Friday evening on the 147.195+ Wauseon repeater at 2230 hours. (10:30 pm) The Fulton County repeater is accessible from most of Lucas County and the surrounding area.
